What's a Havurah?

A **Havurah** is a group of people who share similar interests, celebrate Jewish life together, and often form extended families. Groups may observe life-cycle events, wish to learn more about Judaism, hold social events or any combination of these. Each Havurah plans its own social, educational and spiritual activities to meet the interests and needs of the group. There is never a membership fee to participate and groups usually meet once a month. Everyone is welcome: singles, married couples, all ages. Perhaps you'll form a bond with others in your group which will last for years to come. If interested in learning more, please complete this form and return it to CAI. I will contact you shortly after receipt to help you get connected with just the "right" Havurah for you!
