### Weekday Torah Study Group

Led by Rabbi Robert Eisen, this informal study group often leads to lively discussion. Held **Wednesdays** in the Epstein Chapel, **11:00 am to 12 noon**. Everyone is welcome.

### Tot Shabbat Service and Dinner

For families with young children, Rabbi Eisen holds a special Tot Shabbat Service **the first Friday of the month**. (Children need not be enrolled in our school to participate.) On **November 4 and December 2 at 5:45 pm**, we'll begin on the Bimah in the Sanctuary with stories and songs. The service is open to all. A kid-friendly Shabbat **dinner follows at 6:15 pm**. Dinner only \$20 per family (two adults and up to four children). Reservations are required for dinner only. Call Kim at 745-5550, ext. 224.

### Shabbat Afternoon Torah Study

Torah discussions are held **every Saturday, one hour prior to the Mincha Service**. This is a great opportunity to become more involved in "Living Judaism" and your congregation. Times of study are listed on the calendar in each issue of *Kolenu*. If you would like to lead a Torah discussion or for more information, call Michelle at 745-5550, ext. 225.

### PLEASE NOTE: Friday, November 18

#### We will offer two different SHABBAT Experiences:

At **5:45 pm** we will be holding our traditional MINCHA, KABBALAT SHABBAT and MA'ARIV service in the Epstein Chapel. Held in the intimate setting of the Chapel, this service offers a "natural transition" from the "week that was" into the sanctity of the SHABBAT.

At **7:30 pm** we will be holding "SHIR HADASH: A New Song," our special SHABBAT evening service featuring Emily Ellentuck as Cantorial Soloist in Rabbi Breger Hall. The service will include singing, clapping, participatory melodies, NIGGUNIM (wordless chants), and more involvement by all who attend. Everyone is welcome. It's a new way to embrace SHABBAT!

### K'Ton Time

A fun and lively 20-minute service that includes songs, prayers, stories and games geared to families with kids ages 1 to 6, but every family is welcome. After the service everyone is invited to a kid-friendly *kiddush* where each child's attendance is acknowledged in song. This is followed by playground time for kids, and schmoozing time for parents, after which we join the sanctuary service for *kiddush*. Join us on **November 19 and December 17 at 10:30 am** in the Epstein Chapel.

### Minyan Shelanu: Our Minyan

This service is led by your fellow congregants and is for children and adults of ALL ages. We *daven* with *ruach* and the inspiration of a camp service! Throughout the year, we explore the meaning behind the prayers and music of the Shabbat morning service. The next services will be held on **Saturdays, November 26 and December 24 at 10:30 am** in the Epstein Chapel. Following the service, we join the sanctuary service for *kiddush*.

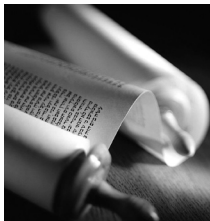

### CAI in the Northwest

In addition to CAI's regular Mincha and Kabbalat Services at 5:45 pm, we offer Friday Night Service **December 2 at 7:00pm** in the Oro Valley Public Library (1305 W. Naraja Dr.), lay-led by Fred Mittleman. An oneg follows. Reservations requested to Helene Mittleman at 219-7297 or [fredmittleman@mac.com](mailto:fredmittleman@mac.com)

*My heartfelt appreciation to all those who enjoyed — and acknowledged their appreciation of — my participation in CAI's High Holy Days services. It was my honor to share in, and be a part of them.*

— Ron Sandler

## Are You a Congregant Interested in Chanting Torah?

Please RSVP to Michelle at 745-5550, ext. 225 or [clergysecretary@caiaz.org](mailto:clergysecretary@caiaz.org). Can you currently read Torah? Contact Rabbi Herman at ext. 228 or [eddirector@caiaz.org](mailto:eddirector@caiaz.org)

## Daily Minyan Services and “Jewry” Duty

Our Minyan is expected to be there when someone needs to say *Kaddish*. There are often occasions when it is difficult to get a *Minyan*. We hope you will consider being there for others. Along with your “Jewry Duty,” we ask that you consider committing to being part of the *Minyan* at least one morning or afternoon per month on a regular basis. Service times are on the calendar in each newsletter and on the synagogue’s Web site, [www.caiaz.org](http://www.caiaz.org). Shown below is a combined list of Minyan attendees and those fulfilling their “Jewry” Duty during August and September 2011. ***Todah rabah!***

## The Tenth of Tevet *Asarah B'Tevet*

~  
Date of the fast in 5772:  
January 5, 2012

Coming as it does a week after the last day of Hanukkah, the fast on the 10<sup>th</sup> of the month of Tevet (*Asarah B'Tevet*) might easily be overlooked. It occupies, however, an important niche in the story of Israel and the history of our people.

The text in II Kings (25:1-4) tells us that on the 10<sup>th</sup> day of the 10<sup>th</sup> month, in the ninth year of his reign, (588 BCE), Nebuchadnezzar, the Babylonian king, began the siege of Jerusalem. Three years later, on the 17<sup>th</sup> of Tammuz, he broke through the city walls. The siege ended with the destruction of the Temple three weeks later, on the 9<sup>th</sup> of Av, the end of the first Kingdom and the exile of the Jewish people to Babylon. It can thus be considered part of the cycle of fasts connected with these events: Tzom Gedaliah (3<sup>rd</sup> of Tishrei); Shiva Asar B'Tammuz (17<sup>th</sup> of Tammuz) and Tisha B'Av (9<sup>th</sup> of Av).

The first mention of this fast appears in Zechariah (8:19) where it is called the “fast of the tenth month...” (counting from the month of Nisan, which was the first month in Biblical times). Other references to the fast and the affliction can be found in Ezekiel 24:1-2 (the siege); Jeremiah 52:4-6.

However, although the fast is historically tied in with events surrounding the destruction of the First Temple, the purpose of the fast is not the commemoration of an historical event, but the state of affliction of the Jewish people.

- As with all Jewish fasts, the prayers for *Asarah B'Tevet* include *Selihot*, marking the day as an occasion for each of us to devote time to *Teshuvah* (repentance), the introspection that motivates us to reexamine our actions and change our ways. As the Talmud in *Brachot* says, “one who is afflicted should examine his or her actions and do *Teshuvah*.”

- *Asarah B'Tevet* is the day of mourning for people whose last resting place or date of death is unknown (the *Kaddish Clali*).

- *Asarah B'Tevet* is one of four public fasts which begin at dawn (*alot hashachar* - about an hour before sunrise), but do not carry additional restrictions, such as washing oneself or wearing leather shoes, etc. (while *Yom Kippur* and *Tisha B'Av* begin from dusk the night before). However, it is the only fast which is not brought forward or postponed if it falls on a Friday, a mark of its immense significance.

## Keeping American Soldiers Safe

On November 11, Veteran's Day, we have the occasion to honor and thank our soldiers for their service. This is our chance to express our gratitude to the brave men and women who risk their lives in order to keep America safe.

As they do their jobs in places like Iraq and Afghanistan, American troops are supported by innovations that reduce the risks they face. Many of the technologies and knowhow that they use are the result of the deep strategic partnership between the United States and Israel, which includes extensive cooperation in defense and security.

One example of such an innovation is the reactive armor system developed by Israel's Rafael Advanced Defense Systems for the Bradley armored personnel carrier. Insurgents have used rockets and roadside bombs against armored carriers in Iraq and Afghanistan, killing hundreds of U.S. soldiers. Reactive tiles protect carriers from this threat by overlaying the vehicle's armor with embedded explosives that blast outwards to suppress incoming fire. The reactive armor system, which has been in use for a number of years, has already saved countless lives on the battlefield.

Another technology used by the U.S. military around the world is the unmanned aerial vehicle (UAV). Israel supplied the U.S. Army with its first UAV, known as the Hunter. This pilotless remote-controlled airplane collects real-time video intelligence and targets enemy combatants with laser-guided precision. Israeli UAV technology has reduced the number of piloted missions, leading to fewer American casualties.

Missile defense is a central pillar of U.S.-Israel strategic cooperation. With both nations increasingly under threat from long- and short-range missiles, Israel and the United States have developed some of the world's most sophisticated missile defense systems.

One of these, the Arrow, is the first operational system specifically designed and built to intercept ballistic missiles. The Iron Dome, which intercepts short-range rockets and artillery shells, has already proven itself by shooting down Hamas rockets fired into Israel from the Gaza Strip. It will also be critical in protecting U.S. troops serving in areas like the Persian Gulf and South Korea.

American-Israeli cooperation in defense issues extends beyond the development of technologies to intelligence sharing, joint exercises and daily contact. As we take time to recognize American soldiers for their sacrifice, it is also important to acknowledge the crucial role that this cooperation plays in protecting our troops and making their lives easier.

## ~ The Mitzvah of Bikur Holim ~

Federal health-care privacy regulations make it difficult for us to know when a member of Congregation Anshei Israel has been admitted to a hospital.

Become a partner in the mitzvah of *Bikur Holim* — visiting the sick — by advising our clergy when you, a relative, or a friend is hospitalized. We can stay informed **ONLY** if a family member or friend provides the information to us.

You can help fulfill the mitzvah of visiting the sick.

## Be part of the "In Box" Crowd!

Receive e-mail blasts (there are many lists from which to choose) by visiting our Web site: [www.caiaz.org](http://www.caiaz.org). On the lower right, click on "Get E-mail Updates." Even if you already receive some e-mail blasts from us, you can update your preferences at any time. The last option in the list, "E-mail Synagogue Flyers (No Snail Mail)" means that you will not receive hard copy flyers in the mail for congregational events. (You may still receive flyers for affiliate, preschool, religious school &/or USY events.) Opting in is very easy and can help us save time, money and trees.

**PLEASE NOTE:** If you have opted out at any time in the past, **you** must opt back in; we are not allowed to do so.

## Young Adult/College Outreach Program

Throughout the year, the absence of many of our young adults is readily apparent to the Synagogue and to you, the families whose children are away from home. All too often our college-age young adults feel cut off from the Synagogue which played such an important part in their younger years. We want to keep that Synagogue connection with your children.

Please help us update our list of young adults who are in college or others who would enjoy hearing from us. We ask those who would like their children to receive both regular and e-mail communications to complete and return the form below to: **Congregation Anshei Israel, Young Adult/College Outreach Program, 5550 E. 5<sup>th</sup> St., Tucson, AZ 85711**

## Legacy Program: L'Dor V'Dor

What will YOUR legacy be? Hopefully you have noticed the “buzz” in the community regarding the Areivim Legacy Community Project. Almost every agency and synagogue bulletin or newsletter makes mention of the Areivim Project.

Or, perhaps you have skipped the articles and ads regarding the Areivim Project because you aren't sure how it applies to you. Some people may be thinking “the economy is doing so poorly and we don't have enough money right now for an estate plan.” Did you know that a planned charitable pledge can be made now that does not require any actual cash gifts at the present time? One way to leave a gift is via a bequest or a remainder or percentage of an IRA or insurance policy. Another concern

some may have is “I don't have a lot of money, planned giving is only for the wealthy.” No amount is too small ... a legacy pledge can be made by anyone in any amount. Everyone can benefit from plans that reduce future estate taxes. So what will YOUR legacy be?

Here is a brief update about the activities of the CAI Legacy/Areivim Committee during the months of July, August, and September. The committee met twice during the summer. Three conversations were held with congregants and one anonymous person/couple finalized their Legacy gift via the Jewish Foundation to include Congregation Anshei Israel. A Legacy presentation was made at the September Board of Trustees/Synagogue Life Council Retreat. We also welcomed Jami Gan to the Legacy Committee.

You may get a phone call from one of us during the next few months. We hope you will say that you have finalized your planned giving and that CAI is included. But if your plans have not yet been made, please know that we are here to talk with you about all of the possibilities. What will YOUR legacy be?

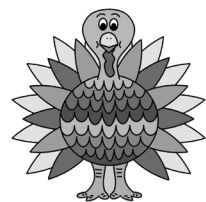

If you have any questions or want to make an appointment, please feel free to contact me at 322-0433 or [tucpepper@hotmail.com](mailto:tucpepper@hotmail.com). Or you may contact one of the committee members: Rabbi Robert Eisen, Rabbi Arthur Oleisky, Madeline Friedman, Jami Gan, Michael Landy, Fred Fruchthandler, Esther Sherberg, Gail Mordka, Meme Aguila, or Howard Schwartz.

**Vicki Pepper, Legacy Program Chair**

## Viva Volunteers!

Our Viva Volunteer Program supplements the work of our volunteer leaders. We recruit people who want to volunteer, but may not know how to get started. Think about what skills, interests, and hobbies you have, then complete the Volunteer Opportunity form at [www.caiaz.org](http://www.caiaz.org) under the “Getting Involved” tab (also available at the Shalom Center and in the administrative office.) I look forward to volunteering with you!

## Let's Talk Turkey!

Please help improve a Jewish family's Thanksgiving celebration by donating funds to allow us to purchase Kosher turkeys. We'll then deliver them to Jewish Family and Children's Service.

Kindly drop off or mail your contribution to the synagogue office no later than Nov. 15. Questions? Contact Rabbi Ben Herman at 745-5550, ext. 228 or [eddirector@caiaz.org](mailto:eddirector@caiaz.org)

## Social Action Committee

We hope that all congregants will participate in **Operation Deep Freeze/Project Hospitality**, a community-wide effort to give people shelter and meals during the winter months. **CAI will participate on:** Sunday, Dec. 18, 2011; Thursday, Jan. 5, 2012; Wednesday, Feb. 1 (USY Night); and Wednesday, Feb. 15.

We seek volunteers to purchase, prepare and serve meals to a group of homeless men and women at Temple Emanu-El. (What a wonderful hands-on social action project for your Bar or Bat Mitzvah!) We also need a chaperone for the group on each night (either a volunteer or a paid position). On all nights we meet at Temple Emanu-El at 5:00pm, and serve a hot meal that has been prepared or purchased for approximately 25 people. A sack lunch and cold breakfast is also provided for the following day. The meal and clean-up is usually completed by 6:30pm.

In addition, we are collecting gently-used men's and women's (no children's items) jackets, sweatshirts, gloves, hats, NEW SOCKS, blankets, and travel-sized toiletries. Please bring items to the marked boxes outside the administrative office. Monetary donations for us to purchase food gladly accepted as well. Thank you!

The Global Day of Jewish Learning was conceived to mark the completion of Rabbi Adin Steinsaltz's monumental translation on the Talmud. Thanks to your astounding level of participation, the inaugural 2010 Global Day was a historic achievement. It reached every corner of the Jewish world and – perhaps, for the first time – brought Jews across the spectrum of beliefs and backgrounds together in a day of study and unity. You then truly went "a step ahead" by calling for an annual event.

The Global Day of Jewish Learning will now continue to bring the Jewish people together once a year to celebrate our shared Jewish text through community based learning.

Installation of a memorial plaque is a beautiful way to perpetuate the memory of a loved one. Each year on the anniversary of your loved one's death, the synagogue will send you a reminder of the Yahrzeit and light the light adjacent to their memorial plaque. Call 745-5550 to make arrangements or if you wish to reserve a space for the future.
