Women Ensuring Conservative/Masorti Jewish Education

Torah Fund is a campaign to ensure our legacy to future generations of Conservative Jews by providing rabbis, cantors and educators.

Please support the campaign as we celebrate its 70th anniversary! Through your Torah Fund contribution, students' Jewish education can be furthered; strengthening and perpetuating Conservative/Masorti Judaism throughout the world.

Receive the 5773 pin (shown here) as our gift in recognition of your generous support.

עורי עורי—Uri Uri

Awake—Greet the New Dawn!

Devorah the Prophet was a judge in Israel when she was roused from her seat under a palm tree to lead her people's troops into battle with the words, "Arise, arise, Devorah; arise and join in the chant" (Judges 5:12).

Being aroused to action is often just the prelude to awakening others, whether via the shofar — as seen growing out of the 'ayin in the 5773 Torah Fund pin — or by using our voices and networks to focus on the critical needs of our families and community, our movement and our people. The imagery of dawn invokes an awareness of the challenges before us, as well as our need to be alert to address them.
