THE FINE PRINT: If you pay income taxes in Arizona, you can earn valuable Charitable Tax Credits and support the Tucson Jewish Community. Charitable Tax Credits will either decrease the total Arizona income tax you pay or increase the state tax refund you receive (dollar-for-dollar). Private school scholarships are awarded on the basis of financial need only and cannot be restricted or reserved solely on the basis of donor recommendation. A person may not claim the Private School Tuition Tax Credit if the taxpayer agrees to swap donations with another taxpayer to benefit either taxpayer's own dependent. Please consult your professional tax advisor, as your personal tax situation and filing status will determine the maximum charitable tax credit you can claim.

Charitable giving that costs you NOTHING and means EVERYTHING
