

In celebration of the 48th anniversary of the
reunification of Jerusalem,
CAI invites you to our

Yom Yerushalayim Program

Sunday, May 17

7:00pm

Featuring the showing of the
film, “I Am a Jerusalemite,”
starring legendary Israeli singer
Yehoram Gaon.

Although born in Jerusalem, Gaon was, like all Jews, forbidden from entering most of the city until the 1967 reunification. This fascinating documentary follows Gaon’s exploration of his city, from his grandfather’s simple home to the Western Wall and the Old City’s open markets. Along the way, he performs eight of his most-loved songs that pay tribute to his birthplace.
