TIKKUN LEIL SHAVUOT: A Guide to the Evening of Shavuot

**SATURDAY,
MAY 19, 2018
7:45PM**

**Join us for this annual program to observe the celebration
of the anniversary of the day Moses received
the Ten Commandments from God.**

SHAVUOT celebrates many things: The cycle of nature, the anniversary of the day the Israelites received the Ten Commandments from God, and God's gift of Torah.

It is customary to study late into the night, read the Ten Commandments, review the Book of Ruth (the first "Jew by choice"), and eat foods made with milk products because the Torah is thought of as being like "milk and honey," bringing health and sweetness to our lives.

Please join us for this special program to participate in Shavuot, often called the "forgotten holiday."
