JUNE 3 • BRIGHTON BEACH MEMOIRS (PG-13 • 1 HR 50 MINS.)

Fifteen-year-old Eugene Jerome is desperately trying to uncover life's mysteries, but his family keeps hiding the clues. Even so, he manages to keep his priorities - baseball and girls - firmly in order throughout Neil Simon's hit about growing up in Brooklyn during the late 1930s. Life is definitely never dull with seven people living under the same roof. *Brighton Beach Memoirs* is a wonderful, semi-autobiographical comedy with heart, wit and hysterical insights into family life and growing up - just a little off-center.

JUNE 10 • THE PRINCE OF EGYPT (PG • 1 HR. 14 MINS.)

The Prince of Egypt is the biblical story of Exodus as an epic animated feature with songs and an all-star cast doing the voices. It tells the story of Moses releasing the Jews from Egyptian slavery under the hand of the evil pharaoh Rameses. With songs written by Oscar-winner Stephen Schwartz and sung by Mariah Carey and the late Whitney Houston, *The Prince of Egypt* covers all the classic story points of the story of Moses, including the 10 plagues and the parting of the Red Sea.

JUNE 17 • THE APPRENTICESHIP OF DUDDY KRAVITZ (PG • 2 HRS.)

The younger son of a working-class Jewish family in Montreal, Duddy Kravitz yearns to make a name for himself in society. This film chronicles his short and dubious rise to power, as well as his changing relationships with family and friends. From legendary filmmaker Steven Spielberg, this delightful full-length animated feature continues the adventures of Fievel, the brave young mouse who captured audiences' hearts in *An American Tail*. Lured out west by the crafty Cat R. Waul, Fievel joins forces with famed lawdog Wylie Blurp to thwart a sinister plot to transform unsuspecting settlers into...mouseburgers! This heartwarming family film features the voices of Dom DeLuise and Amy Irving with an original score, including "Dreams to Dream" sung by Linda Ronstadt.

JULY 8 • HESTER STREET (PG • 1 HR. 30 MINS.)

Hester Street is a touching tale of Gitl (Carol Kane), a young Jewish woman who comes to America in the 1890s, only to discover that her husband, Jake (Steven Keats), has given up the ways of the old country, and taken up with a new girlfriend, and a new life. By turns heartbreaking, comic, and sharply observed, this remarkable film garnered Kane an Academy Award nomination for Best Actress in 1975, and launched director Joan Micklin Silver's career.
