Dear Friend,

Advertising with Congregation Anshei Israel allows you to speak directly to your community and show your support for CAI.

CAI's newsletter, *Kolenu* — read by 1200+ CAI members and supporters — is published bi-monthly, beginning each new year with the September/October issue. We offer competitive rates, complimentary ad design, digital file maintenance, and a growing audience — in hard copy AND on-line.

Receive a 20% discount when you commit to a one-year agreement — all 6 issues. There are no contracts; we work on a “good faith” policy!

To ensure that your ad gets placement in our September/October 2018 issue, we must hear from you no later than August 1, 2018. For complete details, please see the Rates and Ad Production Specs sheet.

If you are unfamiliar with *Kolenu* and would like to receive a complimentary hard copy of the latest issue, we'll be happy to send one to you, or visit
