in recognition of your generous support.**

### Atid

*Atid* means "future" in Hebrew. As Women's League for Conservative Judaism enters its second century, Torah Fund begins its 77th year, and the State of Israel enters its 71st, we look forward with joy to our future together with you, our sisterhood members and supporters of Torah Fund.

When the classical rabbinic texts speak of the future using the word *atid*, it usually appears in the phrase *le'atid lavo*, which means "in the future to come." By this they mean either the day when the Messiah will come, or *olam haba*, the afterlife. Contemporary Israelis are known to say, with optimism, *yesh atid*, which means "there is a future!"

How do you envision your future? Your personal future; the future of your family; the future of your community; of the United States, Canada, and Israel? When you dream of a bright future, is it in the next world or this one? The seminaries of the Conservative/Masorti Movement, which we support through Torah Fund, are doing the great work that helps us navigate our future together, as one people. And our sisterhoods provide the social and educational networks—the extended family—that helps us go forward into our future as Jewish women, with confidence.

The 5779 Torah Fund pin envelopes the Hebrew word for "future" (*atid*) with a stylized Magen David. It represents our wish for a distinctly Jewish future, for ourselves as individuals, our families, and our communities.
