Federation of Jewish Men's Clubs
~ INVOLVING JEWISH MEN IN JEWISH LIFE ~

August 2017

Dear Friend,

The Men's Club of Congregation Anshei Israel is undergoing some vital changes to try and meet the needs of our varied male members, but **we need your help** to make the NEW MEN'S CLUB a viable and strong part of **your** synagogue.

We understand that one of your most important commodities is your time. The Men's Club is looking for volunteers to help organize **only one function per year**. We hope to have only 4 or 5 major functions for the upcoming year. Some ideas:

- Sukkah building for congregants
- Helping set up chairs for the High Holy Days
- Star-gazing night
- Poker night at a casino
- Beer or wine tasting
- Bike riding to all Shuls in town
- Working with Habitat for Humanity
- Participating in the annual "World Wide Wrap" (teaching the mitzvah of wrapping tefillin)
- Organizing the Yom HaShoah Candle project
- Doing a life-skills presentation for teens and college students

If you have any other ideas, please send them with your Men's Club application. We want them!

The concept for a Men's Club is to build Jewish relationships with other members, by involving men in Jewish life by going to Shabbat Services more often, or attending Minyan at least once a month, and by being more conscious of living a more Jewish life.

We need your support even if you can only attend and/or organize one function. Your membership includes all breakfast/meetings. Please return your application with a check for \$40 (or you may make two payments of \$20). Our first meeting will be **Sunday, October 8** as we help the Religious School with breakfast in the Sukkah. Watch your mail for more information closer to the date, and be sure to **bring your great ideas and your Jewish friends!**

Shalom,

Mark Levine
