CONTINUED VIRTUAL OPTIONS - INCLUDING OPTIONS FOR VIRTUAL PARTICIPANTS

All services will continue to be available on Zoom for those that are unable to join us in person. We will be holding hybrid services, with honors available in-person and at-home for Kabbalat Shabbat and Shabbat morning. Weekday minyan will continue to be only virtual at this time.

With the guidance from our COVID-19 Response Task Force and due to the decline in COVID-19 positive cases and the growing numbers of individuals who have received the vaccine, the Board of Trustees has accepted the COVID-19 Response Task Force's recommendation to begin programming and services indoors.

SAFETY PRECAUTIONS

All health guidelines from the Center for Disease Control ("CDC"), Arizona Department of Health Services ("AZDHS") and Pima County Department of Health ("PCDH") will be followed. Any future decisions either to increase attendance or suspend in-person programming will continue to be guided by several key metrics gathered from the AZDHS and PCDH Covid-19 "dashboards," and our COVID-19 Response Task Force.

Attendance will be by reservation only, with required mask wearing and socially distant seating. If you will be attending any in-person services and programs at Congregation Anshei Israel or off-campus and held on behalf of Congregation Anshei Israel, we ask that you fully comply with all guidelines and requirements. Please wear a mask that fully covers your mouth and nose, respect social distance guidelines from anyone outside of your household or social bubble and follow all instructions upon check in.

This plan for in-person gatherings was created in consultation with medical and public health professionals. We have included guidance from the Pima County Department of Health, Center for Disease Control and the Arizona Department of Health Services.

For the safety of the entire community, Gabbai'im or Ushers will be available to help with any questions or difficulties adhering to our current protocols.

If we are unable to achieve compliance and/or if community spread of COVID-19 increases significantly above current levels, the in-person opportunities will be suspended again until it is deemed safer.
